

Want to submit a story for publication in the Spring 2024 NHSN anthology?

- the story is due on June 1, 2024 but you are welcome to submit earlier. (NHSN club members only) Information on where to submit is in the club area.
- before you submit, get as many people as possible to help you with the editing! On our end, we'll only be able to edit for typos and spelling mistakes.
- please make sure the story content and the language is appropriate for your audience, either middle school or high school. you are welcome to email us if you have questions about specific things that might not be appropriate. also, please run it past teachers or parents if you are uncertain about whether your content or language is appropriate.
- the book will be available on Amazon on June 10, 2024. Expect it to be priced at \$19.99, but that is subject to change, depending on how many stories are submitted.
- if you would like to pre-order copies for a book launch for your local club, the price is \$14.99 per book.
- because we'll have lots of contributors, we won't be able to offer payment or royalties for your story. however, if your story is accepted, you will receive a contract that gives you full rights and ownership of your story. all that we request is a one-time usage for the anthology
- in lieu of royalties to contributors, all profits* from book sales will go to Operation Smile, an organization that helps boys and girls receive an operation to help them get a new smile. If you watch the video, you'll understand why we choose this organization. (*Profits are all the funds left over after paying for design fees, pricing fees and the fees that Amazon charges. We will provide this in a statement in the club area after the book is published.)
